RECOVERY GUIDELINES

I. Chapter 493, Florida Statutes

The following explanations of the law are intended to assist applicants and licensees in understanding the basic requirements and restrictions of Chapter 493, Florida Statutes. Please note that this handbook does not constitute the entirety of the law. Individuals seeking a more comprehensive understanding of the law are directed to carefully read and study Chapter 493, Florida Statutes, as well as Chapter 5N-1, F.A.C.

II. Regulated Activity

Definition – The recovery of a motor vehicle as defined under s.320.01(1), a mobile home as defined in s.320.01(2), a motorboat as defined under s.327.02, an aircraft as defined in s.330.27(1), a personal watercraft as defined in s.327.02, an all-terrain vehicle as defined in s.316.2074, farm equipment as defined under s.686.402, or industrial equipment, by an individual who is authorized by the legal owner, lienholder, or lessor to recover, or to collect money payment in lieu of recovery of, that which has been sold or leased under a security agreement that contains a repossession clause. As used in this subsection, the term “industrial equipment” includes, but is not limited to, tractors, road rollers, cranes, forklifts, backhoes, and bulldozers. The term “industrial equipment” also includes other vehicles that are propelled by power other than muscular power and that are used in the manufacture of goods or used in the provision of services. A repossession is complete when a licensed recovery agent is in control, custody, and possession of such repossessed property. Property that is being repossessed shall be considered to be in the control, custody, and possession of a recovery agent if the property being repossessed is secured in preparation for transport from

the site of the recovery by means of being attached to or placed on the towing or other transport vehicle or if the property being repossessed is being operated or about to be operated by an employee of the recovery agency.

Section 493.6101(22), F.S

III. Types of Licenses

- **Recovery Agent – Class “E” license** – Any individual who performs repossession services must have a Class “E” Recovery Agent license and must be employed by or own a licensed Class “R” Recovery Agency or Class “RR” Branch Office. Class “E” licensees may not engage in repossession services except through a licensed agency. Class “E” licensees may not subcontract.

Sections 493.6401(4) and (6), F.S.

Example: A licensed Class “E” Recovery Agent or Class “EE” Recovery Agent Intern employed by a licensed recovery agency cannot solicit or accept fees for repossession of vehicles from a used car dealer or lienholder independent of his or her licensed agency.

“In-House” repossession agents see Section IV.

- **Recovery Agent Intern – Class “EE” license** – Any individual who performs repossession services as an intern under the direction and control of a designated sponsoring Class “E” licensee or designated sponsoring Class “MR” licensee.

Class “EE” licensees may not engage in repossession activities except through a licensed agency. Class “EE” licensees may not subcontract; they must work for a Class “R” agency or “RR” branch office.

Section 493.6401(5), F.S.

- **Recovery Agency – Class “R” license** – Any person, firm, company, partnership or corporation which engages in

business as a recovery agency must possess a Class “R” license. A Class “R” license is valid for only one location. A Class “R” agency cannot subcontract with a Class “E” Recovery Agent or Class “EE” Recovery Agent Intern, but that agency may subcontract with other licensed recovery agencies.

Agencies must notify the division of any changes in officers, ownership or location within 5 working days of the change. Agencies must notify the division of any changes in physical location within 10 working days of the change. Agency licenses that reflect incorrect information due to such changes are in violation of Chapter 493, F.S.

Sections 493.6401(1) and 493.6112(1), F.S.

- **Branch Office – Class “RR” license** – Each branch office of a Class “R” agency shall have a Class “RR” license.

Section 493.6401(2), F.S.

- **Agency Managers – Class “MR” license** – Any individual who performs the services of a manager for a Class “R” Recovery Agency or a Class “RR” Branch Office must have a Class “MR” Recovery Agency Manager license.

A Class “E” licensee may be designated as a manager in lieu of the Class “MR” licensee. Class “MR” licensees cannot subcontract; they must work for a Class “R” Recovery Agency.

Section 493.6401(3), F.S.

Example: The owner of a Class “R” Recovery Agency who is licensed as a Class “E” Recovery Agent may designate himself or herself as the agency manager and is not required to possess a Class “MR” license.

Example: An owner of a Class “R” Recovery Agency may designate a Class “E” licensee as manager of the Class “R” agency or a Class “RR” branch office.

Each agency or branch office shall designate a minimum of one appropriately licensed individual to act as manager, directing

the activities of the Class “E” and/or Class “EE” employees.

- **Recovery Agent School Instructor – Class “RI” license** – A person who teaches or instructs at a Class “RS” Recovery Agent School or Training Facility must have a Class “RI” license.

Instructors who are full-time faculty members and who teach exclusively for public educational facilities are exempt from this requirement.

Section 493.6401(8), F.S.;
Rule 5N-1.134(3)(b), F.A.C.

- **Recovery Agent School – Class “RS” license** – Any school or training facility which teaches or instructs applicants for Class “E” or “EE” licensure shall have a Class “RS” license.

Class “RS” facilities can offer qualifying training to students in a number of ways: in a traditional classroom setting, through an online course made available via the Internet, or through a home study-correspondence training course.

Section 493.6401(7), F.S.

- Unless the license is suspended or revoked by the Division of Licensing, licenses are valid for 2 years, except for the Class “R” Recovery Agency license and the Class “RR” agency branch license, which are valid for 3 years.
- The licensee is responsible for renewing his or her license on time.
- Although the division sends the licensee a renewal notice at least 90 days prior to the expiration date of the license, the licensee is ultimately responsible for renewing his or her license in a timely manner even if the renewal notice was not received.

Sections 493.6111(2) and 493.6113, F.S.

- The Class “E” Recovery Agent licensee, Class “EE” Recovery Agent Intern licensee, or Class “MR” Recovery Agent

Manager licensee must be in possession of his or her license while engaged in regulated activities.

Section 493.6111(1), F.S.

IV. When a Recovery License is Not Required

- Any bank or bank holding company, credit union, or small loan company operating pursuant to chapters 516 and 520; any consumer credit reporting agency regulated under 15 U.S.C. ss.1681 et seq.; or any collection agency not engaged in repossessions or to any permanent employee thereof is not required to be licensed.

Section 493.6102(7), F.S.

Example: An individual who has an employer-employee relationship with a credit union or small loan company operating pursuant to chapters 516 and 520 must be licensed to repossess for anyone other than his or her employer.

- Certified law enforcement officers who engage in repossession services off-duty are NOT exempt from the licensure requirements and must possess a Class “E” or Class “EE” license and be employed by a Class “R” agency.

Section 493.6102(1), F.S.

V. Training Requirements

- An applicant for a Class “E” Recovery Agent license must have at least one (1) year of lawfully gained, verifiable full-time experience in repossession activity or as a Class “EE” Recovery Agent Intern or a total of one (1) year in a combination of both. Lawful in-house experience, even though unlicensed, is creditable.

Section 493.6403(1)(c), F.S.

Example: An applicant for Class “E” licensure cannot use experience as an unlicensed independent contractor because it would not have been lawfully gained and would have been in violation of Chapter 493.

- An applicant for a Class “E” or “EE” license must have a minimum of forty (40) hours of professional training at a school or training facility licensed by the department. Licensed training facilities must teach, at a minimum, the curriculum prescribed by the Division of Licensing.

Section 493.6403(2), F.S.

- An applicant for a Class “RI” Recovery School Instructor license shall have the following qualifications:
 - ◊ At least eighteen (18) years old; and
 - ◊ A high school graduate or a GED recipient; and
 - ◊ Licensed as a Class “E” Recovery Agent for at least three (3) years within the 5-year period immediately preceding application;
OR
 - ◊ A bachelor’s, master’s, or doctorate degree from a college or university with a major course of study in education, finance, criminology, criminal justice, police science, law or other course of study related to law enforcement or financial management;
OR
 - ◊ Current licensure as a Class “MR” Recovery Agency Manager and have been so licensed for not less than one (1) year.

Rule 5N-1.138, F. A. C.

VI. Sponsorship of Interns

- Only a Class “E” or Class “MR” licensee may sponsor a Class “EE” Recovery Agent Intern.
- An internship may not commence until the intern is licensed, or has submitted a completed application, and the sponsor has submitted the notice of intent to sponsor to the department. Such notice shall be on a form provided by the

department.

- Internships are intended to serve as a learning process. Sponsors shall assume a training status by providing direction and control of interns. Sponsors shall not allow interns to operate independently of such direction and control, or require interns to perform activities that do not enhance the intern's qualification for licensure. Interns must perform regulated duties within the boundaries of the state during the period of internship.
- A Class "E" or "MR" licensee may not sponsor more than six (6) interns at the same time.
- A sponsor shall certify completion or termination of an internship to the department within fifteen (15) days of such occurrence. The certification shall be on a form provided by the department.
- A sponsor shall certify a biannual progress report on each intern. The report shall be made on a form provided by the department.

Sections 493.6116(1) - (5), F.S.

VII. Firearms

- The law prohibits a licensed recovery agent or a licensed recovery agent intern from carrying a firearm on his or her person while on private property and in the course of repossession activities. This restriction applies even if the licensee possesses a Class "G" Statewide Firearm license by virtue of other licensure under Chapter 493, Florida Statutes, or a Concealed Weapon or Firearm License issued pursuant to Section 790.06, Florida Statutes.

Section 493.6118(1)(x) 9., F.S.

Example: A licensed recovery agent carrying out a repossession in a debtor's driveway carries a firearm for protection from potential assault. His or her license will be

revoked for misconduct.

Example: A licensed recovery agent in the course of repossessing a vehicle in the parking lot of an insurance agency fires a warning shot to deter physical assault by the debtor. His or her license will be revoked for misconduct.

VIII. Use of Force

- Licensed recovery agents or recovery agent interns are lawfully authorized to repossess property only so long as there is no breach of the peace. A breach of the peace may occur when someone verbally or physically objects to a recovery in progress.

Section 679.609, F.S.

- To avoid a breach of the peace, a recovery agent should retreat from a recovery when there is a confrontation.

Section 493.6118(1)(j), F.S.

Example: The debtor's neighbor confronts the recovery agent in the debtor's driveway before the car is attached to or placed on the transport vehicle or before the vehicle is being operated or about to be operated by an employee of the recovery agency. While the agent calmly informs the neighbor of his or her legal rights to repossess the vehicle, the neighbor becomes irrational and begins yelling at the agent. The agent should retreat from the repossession and try another time.

- A licensee who is unable to retreat may use only the force necessary to lawfully protect himself or herself or another from physical harm.

Section 493.6118(1)(j), F.S.

Example: A licensed recovery agent who was suddenly and unexpectedly attacked by family members of the debtor and is unable to retreat reasonably defends himself.

IX. Identification Cards

- Every licensed recovery agency must furnish to its partners, principal corporate officers, and all licensed employees an identification card with the name and license number of the holder of the card and name and license number of the agency. The identification card must be signed by the individual licensee and a representative of the agency. The identification card must be in the possession of the licensee at all times while engaged in regulated activity.

Section 493.6111(5), F.S.

- Agency identification cards are issued solely for the purpose of identifying the licensee and his or her employer. The use of the state seal, the FDACS seal, or the terms “State of Florida”, “Department of Agriculture and Consumer Services”, or “Division of Licensing” are forbidden. Such terms are often misinterpreted as implying the bearer has some official status.

Section 493.6118(1)(i), F.S.

X. Applying for a License

- Any person applying for a license must be at least eighteen (18) years of age; be a citizen of the United States or a legal resident of the United States or have been granted authority to work by the U.S. Citizenship and Immigration Services (USCIS); have no disqualifying criminal history; be of good moral character; have no history of mental illness or history of use of illegal drugs or alcoholism, unless evidence is presented showing successful completion of a rehabilitation program, or current mental competency, as appropriate.

Section 493.6106(1)(f), F.S.

- An applicant for a Class “EE” Recovery Agent Intern license must be sponsored by a Class “E” or “MR” licensee. The sponsor must submit a notice of intent to sponsor for each Class “EE” licensee under his direction or control.

Section 493.6116, F.S.

¹ Sections 493.6105, 493.6304, and 493.6406, F.S., in conjunction with section 119.071(5)(a), F.S., mandate that the Department of Agriculture and Consumer Services, Division of Licensing, obtain Social Security numbers from applicants. Applicant Social Security numbers are maintained and used by the Division of Licensing for identification purposes, to prevent misidentification, and to facilitate the approval process by the division. The Department of Agriculture and Consumer Services, Division of Licensing, will not disclose an applicant’s Social Security number without consent of the applicant to anyone outside the Department of Agriculture and Consumer Services, Division of Licensing, or as required by law. See also: chapter 119, F.S., 15 U.S.C. ss. 1681 et seq., 15 U.S.C. ss. 6801 et seq., 18 U.S.C. ss. 2721 et seq., Pub. L. No. 107-56) USA Patriot Act of 2001), and Presidential Executive Order 13224.

See also Section VI in this Handbook.

- A criminal history record check is performed by the Florida Department of Law Enforcement and Federal Bureau of Investigation via examination of the applicant's fingerprints. The results of the record check are provided to the Division of Licensing to determine if the applicant has disqualifying criminal history.

Section 493.6108(1), F.S.

- A licensee may conduct lawful repossessions anywhere in the state without obtaining any other license, permit, registration, or identification card that may be required by local ordinance or resolution. However, agencies may be required to obtain city or county occupational licenses.

Section 493.6107(5), F.S.

- The licensee is required to notify the Division of Licensing within 10 days of a change to his or her residence and/or mailing address.

Section 493.6106(3), F.S.

- Fee Waivers for Veterans, Veterans' Spouses, and Surviving Spouses

1. Both the license and initial application fees will be waived for a veteran (as defined in s. 1.01) who applies for a Class "C," Class "CC," Class "D," Class "DI," Class "E," Class "EE," Class "K," Class "M," Class "MA," Class "MB," Class "MR," or Class "RI" license within 24 months after being discharged from a branch of the United States Armed Forces. An eligible veteran must include a copy of his or her DD Form 214, as issued by the United States Department of Defense, or another acceptable form of identification as specified by the Department of Veterans' Affairs with his or her application in order to obtain a waiver.

2. Veterans' spouses and surviving spouses can claim a waiver of initial application fees when applying for any of

the licenses enumerated in the paragraph preceding this one. Spouses and surviving spouses must provide similar supporting documentation relating to military service as indicated above to qualify for this waiver.

3. Renewal fees shall be waived for a licensee who: (a) is an active duty member of the United States Armed Forces or is the spouse of such a member; or, (b) is or was a member of the United States Armed Forces and served on active duty within the two years preceding the expiration date of the license; or, (c) is the surviving spouse of a member of the United States Armed Forces who was serving on active duty at the time of death and died within the two years preceding the expiration date of the license. Again, appropriate documentation reflecting military status must be submitted with the renewal application to qualify for this waiver.

Sections 493.6107(6), 493.6202(4), 493.6302(4), 493.6402(4), and 493.6113(7), F.S.

XI. Confidentiality

The residence telephone number and residence address of any Class “E” or Class “EE” licensee maintained by the department is confidential and exempt from the provisions of Section 119.07(1), F.S., except that the department may provide this information to local, state, or federal law enforcement agencies. When the residence telephone number or residence address of such licensee is, or appears to be, the business telephone number or business address, this information shall be public record.

Section 493.6122, F.S.

XII. Cancellation/Inactivation of License

- In the event the licensee desires to cancel his or her license, he or she shall notify the department in writing and return the license to the department within ten (10) days of the

date of cancellation.

- The department, at the written request of the licensee, may place his or her license in inactive status.
- A license may remain inactive for a period of three (3) years, at the end of which time it shall automatically be cancelled if the license has not been renewed.
- If the license expires during the inactive period, the licensee shall be required to pay license fees before the license can be made active.
- No late fees shall apply when a license is in inactive status.

Section 493.6114, F.S.

XIII. Repossession Activities

• Class “E” Recovery Agents and Class “EE” Recovery Agent Interns are required to be physically present on the scene of a repossession. It is a violation of the law to allow, encourage or direct any unlicensed person to carry out a repossession for a recovery agency, recovery agent or intern. The licensed recovery agent or intern is required to be present to assure a repossession is carried out in a lawful manner and to respond to law enforcement inquiries or other situations that may arise.

Example: A Class “EE” Recovery Agent Intern arranges for a mobile home transport company to remove a mobile home from its lot. The transport company removes the mobile home and notifies the intern of its location. The intern is disciplined by the department for failure to be physically present at the scene and in charge of the repossession.

- Repossessions, whether voluntary or involuntary, require the services of a licensed recovery agent or intern. Chapter 493 does not recognize any difference between voluntary or involuntary repossessions.
- Recovery agents and recovery agent interns may use the

services of a towing service provided the licensee is physically present at the time of the repossession. The licensee must remain with the repossessed property until it is under his or her complete control, custody, and possession.

Sections 493.6101(21) and (22), F.S.

Example: A licensed recovery agent had an unlicensed helper drive a repossessed vehicle from the point of repossession to his or her storage lot. The recovery agent failed to maintain contact with the repossessed vehicle while in route to the storage lot, and the unlicensed helper was stopped by law enforcement and arrested on suspicion of auto theft. The charges against the helper were dropped by law enforcement. The recovery agent was disciplined by the department for misconduct for failure to maintain contact with the repossessed vehicle until such time as full control, custody, and possession was assured by placement in a storage area.

XIV. Inventory of Personal Effects or Property

- Licensees are personally responsible for the complete and accurate inventory and storage of all personal effects and property found in any repossessed motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicles, farm equipment or industrial equipment, etc. That duty cannot lawfully be subcontracted regardless of the requirements of the client. Contractual arrangements with clients must assure compliance with the law.
- The inventory listing shall be signed by the licensed recovery agent or recovery agent intern who obtained the personal property. The date and time of the inventory must be indicated.
- The inventory of the personal property and the records regarding any disposal of personal property shall be maintained for a period of two (2) years in the permanent records of the licensed recovery agency and shall be made

available, upon demand, to any representative of the department engaged in an official investigation.

Section 493.6404(1), F.S.

- Within five (5) working days after a repossession, the Class “E” or “EE” licensee must give written notice to the debtor of the location of personal items and the procedure for reclaiming them.
- At least forty-five (45) days prior to disposing of such personal effects or other property, the recovery agent or recovery agent intern shall notify the debtor of his or her intent to dispose of such property by United States Postal Service proof of mailing or certified mail.
- If a debtor or his or her lawful designee appears to claim personal property prior to its disposal, such property must be returned upon the payment of any reasonably incurred expenses for inventory and storage.
- If personal property is not claimed within forty-five (45) days of the notice of intent to dispose, the licensee may dispose of the personal property at his or her discretion, except illegal items or contraband shall be surrendered to a law enforcement agency, and the licensee shall retain a receipt or other proof of surrender as part of the inventory and disposal records. When items are donated to charitable or private organizations, receipts verifying such donations shall be maintained in the file.
- Motor vehicle license tags issued to the debtor are the personal property of the debtor and must be inventoried, stored, and returned like other personal property.

Section 493.6404(2), F.S.

- The terms “personal effects” and “personal property” in the context of a repossession means personal items found in or on a repossessed vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicle, farm equipment

or industrial equipment, etc., which were not a part of the repossessed unit at the time of purchase or lease and which have not been installed in, or attached to, the repossessed unit.

Section 493.6404(1), F.S.

XV. Sale of Repossessed Property by Licensee

- A Class “E” or Class “EE” licensee shall obtain, prior to sale, written authorization and a negotiable title from the owner or the lienholder to sell any repossessed motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicles, farm equipment or industrial equipment, etc.

Sections 493.6405(1) and 493.6101(22), F.S.

- A Class “E” or Class “EE” licensee shall send the net proceeds from the sale of such repossessed motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicles, farm equipment or industrial equipment, etc., to the owner or lienholder within twenty (20) working days after the licensee executes the documents that permit the transfer of legal ownership to the purchaser.

Section 493.6405(2), F.S.

A person who violates a provision of Section 493.6405, F.S. commits a felony of the third degree.

- Being found guilty of or entering a plea of guilty or *nolo contendere* to, regardless of adjudication, or being convicted of a crime which directly relates to the business for which the license is held or sought. A plea of *nolo contendere* shall create a rebuttable presumption of guilt to the underlying criminal charges, and the department shall allow the individual being disciplined or denied an application for a license to present any mitigating evidence relevant to the reason for, and the circumstances surrounding, his or her plea.

Section 493.6118(1)(c), F.S.

- Being arrested or charged with a forcible felony as defined in section 776.08, F.S.

Section 493.6118(9)(a), F.S.

- Violating any other provision of Chapter 493.

Section 493.6118(1)(t), F.S.

- In addition to the other guidance provided by Chapter 493, Section 493.6118(1)(x), F.S., specifically prohibits recovery agents and recovery agent interns from:

a. Recovering a motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicle, farm equipment, or industrial equipment that has been sold under a conditional sales agreement or under the terms of a chattel mortgage before authorization has been received from the legal owner or mortgagee;

b. Charging for expenses not actually incurred in connection with the recovery, transportation, storage, or disposal of repossessed property or personal property obtained in a repossession;

c. Using any repossessed property or personal property obtained in a repossession for the personal benefit of the licensee or officer, director, partner, manager, or employee of a licensee;

Example: The owner of a licensed recovery agency used a repossessed semi-truck and trailer to transport repossessed vehicles to a sale for his or her clients without the lienholder's approval. The licensee was disciplined for misconduct.

d. Selling property recovered under the provisions of Chapter 493 except with written authorization from the

legal owner or the mortgagee thereof;

e. Failing to notify the police or sheriff's department of the jurisdiction in which the repossessed property is recovered within two (2) hours after recovery;

f. Failing to remit moneys collected in lieu of recovery of a motor vehicle, mobile home, motorboat, aircraft, personal watercraft, all-terrain vehicle, farm equipment, or industrial equipment to the client within ten (10) working days;

g. Failing to deliver to the client a negotiable instrument that is payable to the client, within ten (10) working days after receipt of such instrument.

h. Falsifying, altering, or failing to maintain any required inventory or records regarding disposal of personal property contained in or on repossessed property pursuant to s.493.6404(1);

i. Carrying a weapon or firearm while on private property and performing repossession activities;

j. Soliciting from the legal owner the recovery of property subject to repossession after such property has been seen or located on public or private property if the amount charged or requested for such recovery is more than the amount normally charged for such a recovery.

Example: A licensed recovery agent became aware of the location of a multi-million dollar yacht being sought by a Texas lender. The recovery agent contacted the lender and offered to recover the yacht for a \$100,000 fee even though the agent's fee would normally have been substantially less. The recovery agent was disciplined by having his or her license revoked and was charged criminally with extortion.

XVII. Recovery Vehicles

- Vehicles used by recovery agencies while conducting

repossessions must display ONLY amber lights. The use of any other colors, such as blue, red, or green, is prohibited.

Section 316.2397, F.S.

- Recovery vehicles must be identified by display of the Class “R” Recovery Agency license number only. The agency license number must appear on both sides of the vehicle in lettering that is not less than four (4) inches tall and in a color that contrasts with the vehicle color.

Section 493.6404(3), F.S.

- Information other than the license number which identifies a recovery vehicle as such is prohibited. Local ordinances which require further identifying information on a recovery vehicle engaged in repossession are preempted by state statute.

Section 493.6404(3), F.S.

XVIII. Badges

- Florida law establishes that five-pointed star badges are reserved for wear by sheriffs and deputy sheriffs in this state. Any badge or insignia of such similarity to the official sheriff’s badge which is indistinguishable at a distance of twenty (20) feet is prohibited for use by individuals licensed under Chapter 493, F.S.
- Licensed recovery agents and recovery agent interns should be especially aware that the use of any badge in the course of a repossession activity creates a very strong suggestion of impersonation of a law enforcement officer, an act that would constitute misconduct in the course of regulated activities. ONLY the agency identification card and the Class “E” or “EE” license are needed for identification purposes

while on the job.

Sections 30.46, 493.6118(1)(i), and 843.085, F.S.

XIX. Agency Advertisements

A licensed agency must include its agency license number in any advertisement in any print medium or directory, and must include its agency license number in any written bid or offer to provide services.

Section 493.6111(6), F.S.

Example: An agency's license number must be included in bids, Yellow Page listings, trade journals, webpages, social media, etc. Employment advertising does not require the agency license number.

XX. Use of State Seal Prohibited

No agency or licensee may use the Great Seal of the State of Florida on any badge, patch, credential, identification card, correspondence, advertisement, business card, or any other means of identification used in connection with recovery services.

Section 493.6124, F.S.

XXI. Unlawful Symbols of Authority

- The unauthorized exhibition, wear or display of any indicia of authority including any badge, insignia, emblem, identification card, uniform or any colorable imitation thereof which could deceive a reasonable person into believing that such item is authorized by a law enforcement agency or the bearer is a law enforcement officer is prohibited.
- All non-official persons and agencies are prohibited from the use of the words "police", "patrolman", "agent", "sheriff", "deputy", "trooper", "highway patrol", "Wildlife Officer",

“Marine Patrol Officer”, “state attorney”, “public defender”, “marshal”, “constable”, or “bailiff” when the use of such words or combinations thereof could deceive a reasonable person into believing that such person or agency is a law enforcement officer or agency.

- Recovery agencies should also be made aware that vehicles marked in such a color or manner to resemble local law enforcement agencies may result in a possible violation for misconduct.

Sections 843.085 and 493.6118(1)(i), F.S.

XXII. Florida Department of Agriculture And Consumer Services, Division Of Licensing

- The Florida Department of Agriculture and Consumer Services, Division of Licensing, is charged with the duty of regulating the recovery industry and has authority over both licensed and unlicensed persons and businesses engaged in repossession activity. Such activities are regulated by Chapter 493, Florida Statutes.

Sections 493.6100 and 493.6118, F.S.

Upon request by the division, the records must be made available immediately to the division unless it determines that an extension may be granted.

Section 493.6121(2), F.S.

- In the conduct of its enforcement responsibility, the division is granted the authority to subpoena any person or records, to take sworn depositions, to issue an order to cease and desist, and to seek injunctive relief from the Circuit Court to assure compliance with the law.

Sections 493.6121(3) and (4), F.S.

Section 493.6118(1)(o), F.S.

Section 493.6120(1)(b), F.S.
